When the storm comes and her Bear man disappears, how will she cope alone on a hill plagued with nothing but bad weather and a cloud of hungry crows for company? Always a favourite show of ours, we are excited about sharing it with more families across the country. This show is too good not share! The Snow Baby offers beautiful tabletop puppetry, imaginative storytelling and music to give you goosebumps. Be swept away by Tomasin's first solo show, a gentle piece exploring family, love, and loss, with lots of music, confetti and funny bits for the whole family to enjoy!
