I'm a bit wacky actually but you will get used to that. Some of you may have heard of me (good for you) and some may have not - but you will now. I am not a normal run of the mill Doctor. I was once but I really did not like my patients. They could be quite difficult. You see I discovered something amazing, fantastic and down right wonderful about myself. Please don't think I am blowing my own trumpet here but I found out that I had the ability to talk to and understand animals. So come and see me light up the stage in this magical musical adventure. This is a brand new show with original music, lots of audience participation and amazing puppets. I look forward to seeing you all soon. Toodle pip for now. Oh, by the way, this show is suitable for humans from 7 years upwards. Tickets cost £10. Contact provider for further information and to book your tickets.	7	99
