

## Why volunteer to be on the DFTRA board?

Being part of the Dudley Federation board will give you a chance to do something interesting and meaningful while working with like-minded people. It will also give you an insight into the workings of the local authority with the ability to have an input into processes and decision making.

## What's in it for me?

You will have the satisfaction of assisting in resolving issues and increasing your knowledge and understanding of the local community. You will be supported by other members of the board and training will be provided if required.

Volunteers will never be out of pocket, all necessary travel expenses will be covered and required technology will be supplied.

## What will I have to do?

There are no fixed time commitments, all we ask is that you be available for a minimum of just one meeting per month which will be arranged to suit the majority of volunteers where possible.

## Who can join?

TRAs can nominate a maximum of 3 members per group to be voted on to DFTRA the board. These are sent out ahead of our AGM but you can request one at any time, just get in touch!

If you're not on a TRA but feel you could provide assistance, you may be able to be co-opted to the DFTRA board for your special skills, just contact us to discuss or meet with the board members.
