

## **Dudley Federation General Meeting summary – Tuesday 29<sup>th</sup> April 2025**

-  **Service Charges:** If people feel that they are paying for a service that they aren't receiving, they need to collect evidence and report it to us by 11<sup>th</sup> July. Council officers who are responsible will be invited to the next meeting to respond to the issues.
-  **Aerial funding:** There have been rumors that aerial funding is coming back, but this isn't correct. There is some funding that is set to be available to high rise blocks, but the full details aren't yet known. There was also a caution that whatever the funding is spent on could be subject to maintenance fees, which could see an increase in service charges in the long run.
-  **Repairs/recharges:** If anyone has issues with recharges, please send them to us and we will also invite a council officer to answer these issues at the next meeting.
-  **Dudley Federation's next general meeting will be on Tuesday 29<sup>th</sup> July 2025.**
